The DIY Network is looking for a few needy men who wouldn't mind going on TV in exchange for receiving the room of their dreams. Man Caves, a show that has made over rooms for celebs including Snoop Dogg and Rainn Wilson want to turn your dreary den into a hockey hideaway, lodge bar or your very own version of Mansion. Show is filming in Miami during the last weeks of January. Men needn't be single, either. Families can apply too. Who knows, maybe Elin Woods is reading this and wants to turn Tiger's man cave into a bona fide dog house? For those interested in applying, click here and if you get picked, make sure to invite us over for the grand opening.
