Bollywood superstar **Shahrukh Khan** is extremely excited about his next project, the much touted big-budget action film RA.ONE.

Reportedly Shahrukh plays a software engineer Shekhar, who as a video-game hero takes on his self-created techno-monster Ra-1. Bollywood hottie Kareena Kapoor plays the female lead in the film.

CHECK OUT: SRK's Ra-1 in Miami from March 2010!

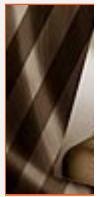

Shahrukh's wife Gauri Khan is the producer and Anubhav Sinha (TUM BIN) is director of this film, which will be produced by Bollywood Hollywood Production and Red Chillies Entertainment. Cinematography is by Ueli Steiger (The Maiden Heist), while David Benullo (Shadow Man) is screenwriter.

This superhero film, which goes on floors from next month, has finalized Miami as its location. This will be the second Bollywood shooting in Miami in less than a year. Just around nine-ten months back, shooting was held for Abhishek-John-Priyanka starrer

DOSTANA.

The makers of RA.ONE are planning to close parts of an avenue for a car chase, which will also extend to various other parts of Miami.

Whilst Shahrukh these days is being described in the media as Hollywood stars George Clooney and Brad Pitt mixed into one.
