## Shah Rukh Khan, Kareena Kapoor headed to Miami for 'Ra 1'

*Shah Rukh Khan and Kareena Kapoor are all set to begin filming their new video game based film 'Ra 1' in Miami, Florida next month.*

January 04, 2010, ([Sawf News](#)) - Shah Rukh Khan and [Kareena Kapoor](#) are all set to begin filming their new video game based film *Ra 1* in Miami, Florida next month.

Produced by [Shah Rukh Khan](#)'s home production, Red Chillies Entertainment, the film will be helmed by Anubhav Sinha.

Shah Rukh, 44, who had been nursing his injured shoulder for most of last year, said he is looking forward to working hard on his new film.

"injury has kept me away from making more films. will work my back off to be around more...the shoulder feels strong and so do i," Shah Rukh tweeted on January 2.

He plays a Miami based software engineer named Shekhar, who as a video-game hero takes on his self-created techno-monster *Ra 1*.

Filmmakers have taken permission to close parts of an avenue in Miami for a car chase sequence in the film. The chase will extend to various other parts of the city.

Khan is being described in the US media as a blend of Hollywood stars George Clooney and Brad Pitt.

Ueli Steiger (*The Maiden Heist*) is the cinematographer and David Benullo (*Shadow Man*) is screenwriter for the film. While most of the filming crew will be from India, a few extras will be hired locally.

Ecstatic over the success of *3 Idiots*, Kareena Kapoor hopes the Midas touch will continue in the new year.

"2010 has a lot of promise. I sincerely wish the Midas touch continues. I'll start the year with my idol, Shah Rukh Khan, with whom I'm travelling to Miami for RA 1," Kareena told TOI.

Less than a year ago, Tarun Mansukhani's *Dostana* starring [Abhishek Bachchan](#), [John Abraham](#), [Bobby Deol](#), and [Priyanka Chopra](#), was filmed in Miami. City tourism officials are excited over the prospect of attracting more tourists from India as it becomes an increasingly popular locale for Bollywood films.
